

# Remote Control Functionality

## Hot Keys

- 1 MENU:**  
Displays the Main Menu
- 2 LAST:**  
Displays the last 15 items that have been watched.
- 3 HOME:**  
Displays the main Android TV menu including access to Apps.
- 4 GUIDE:**  
Displays the Electric Program Guide (EPG).
- 5 SHOWS:**  
Displays the shows that are presently available for viewing On Demand (VOD).
- 6 MOVIES:**  
Displays the movies that are presently available for viewing On Demand (VOD).

The Hot Keys are dedicated short cuts to return the user to the video service regardless of the content or APP being viewed.

## Backlighting

The remote control is a motion detecting device and will backlight when the remote is picked up or moved.

Backlighting will remain on for 3 seconds.
