1.2.1. The Services and Equipment are solely and exclusively for the use of the Customer and shall not be used for any illegal purpose or in any manner inconsistent with the provisions of these Terms and Conditions. Customer acknowledges the Services and Equipment were developed, compiled, prepared, revised, selected and arranged by Cumberland Connect and others (including certain information sources) through the application of methods and standards of judgment developed and applied through the expenditure of substantial, time, effort and money and constitute valuable industrial and intellectual property and trade secrets of Cumberland Connect and such others. Customer agrees to protect the proprietary rights of Cumberland Connect and all others having rights in the Services and the Equipment during and after the term of this Agreement as defined herein. Customer acknowledges and agrees that it has no ownership rights in and to the Services and Equipment and that no such rights are granted under this Agreement. Customer shall honor and comply with all written requests made by Cumberland Connect or its suppliers to protect their and others' contractual, statutory and common law rights in the Services and the Equipment with the same degree of care used to protect its own proprietary rights, which in no event shall be less than reasonable efforts. Customer agrees to notify Cumberland Connect in writing promptly upon becoming aware of any unauthorized access or use by any party or of any claim that the Services or the Equipment infringe upon any copyright, trademark, or other contractual, statutory, or common law rights.

1.2.2. Customer shall not access the Services through any medium or Equipment that

Cumberland Connect has not authorized in writing, nor may any medium or Equipment by which the Services is provided be shared, moved, modified, interfaced, copied, broadcasted, reproduced, ported or otherwise routed with or to any other Equipment without Cumberland Connect's prior written consent. In addition, Customer shall not move, modify, interface, copy, broadcast, reproduce, port or otherwise use or route the Services or any portion thereof with or to any other Equipment, network or software that Cumberland Connect, in its sole good faith judgment, determines is interacting or interfering or may interact or interfere with the performance of the Services or any portion thereof and, from time to time, upon Cumberland Connect's request therefore, Customer shall promptly notify Cumberland Connect in writing of any and all such Equipment, network and software. Services expressly provided by Cumberland Connect for operation on Customer's own Equipment shall be furnished without warranty as to compatibility, fitness or performance with such Equipment, and Customer shall bear all cost and responsibility for such Equipment.

Customer agrees to notify Cumberland Connect in writing promptly upon becoming aware of any unauthorized access or use. Customer shall not share, recompile, decompile, disassemble, reverse engineer, or make or distribute any other form of, or any derivative work from, the Services and/or the Equipment may use the Services solely for its own purposes and may not use the Services for any development purposes or to develop any applications, software or otherwise that could in any way interact or interfere with the performance of the Services or any portion thereof, except as Cumberland Connect may expressly permit under a separate development license with Customer.
- 1.2.4. Customer shall not use any of Cumberland Connect's or its affiliated companies' trademarks, trade names, or service marks in any manner that creates the impression that such names and marks belong to or are identified with Customer, and Customer acknowledges that it has no ownership rights in and to any of these names and marks.
- 1.2.5. In addition, you agree to supply us or our agent, if requested, the owner's name, address, and phone number and/or evidence that the owner has provided such authorization.
- 1.6. **Easement on Customer's Property.** In consideration of receiving Services from Cumberland Connect, Customer hereby grants or will grant to Cumberland Connect or Cumberland Electric Membership Corporation (CEMC) any easements required by Cumberland Connect or CEMC on, under, over or through Customer's real estate for purposes of extending fiber optic cable so to provide Services to Customer and others as well as to perform maintenance, Services upgrades, and periodic clearing of rights of way.
